

Humane Society of Elmore County News – 16 Oct '17
Rea Cord
Executive Director

We hope for a wonderful turnout this Tuesday, 17 October, at our Humane Society's Annual Meeting. We begin at 6 pm, Trinity Episcopal Church, 5375 Hwy 231, Wetumpka, AL 36092 and will be electing new officers as well as reviewing our accomplishments in the past year and looking ahead to 2018. This meeting is for our members and those interested in becoming members of our Humane Society so hope to see you there!

For our supporters who work for the Alabama State Government and want to donate financially, no better way than through the 2017 State Combined Campaign (SCC). We are lucky enough to be a part of the SCC and our Agency Code is 106803. The SCC is critical to Alabama non-profits and helps make donating to deserving charities easy as supporters can donate either one time or via monthly payroll deduction. We want to thank all who so generously donate to help not only our shelter, but non-profit agencies everywhere.

Attention Volunteers! We are trying to move a bit more into the 21st century where our Volunteer Management/Coordination is concerned. If you go to our website at www.elmorehumane.org, you will see a new block titled "Volunteer Login" on the right side of the home page. There are two selections and we are asking ALL of our Volunteers, whether you have been with us for years or are brand new, to please sign UP at the TOP button titled "Sign Up to Volunteer." For now that is the only one we ask you to fill in. The bottom tab will come into play once we get going and you receive Login information from us.

With this new on-line Volunteer sign-up and login not only will be able to more efficiently reach out to our volunteers, but our Volunteers will be able to more clearly see what & where our Volunteer needs are, how they can help and more. Volunteers will also be able to keep track of their own hours which is becoming more important to some of our volunteers who are giving time through their employer or as a fund-raising activity for us.

Please be patient with us as we get this Volgistics/Vicnet system for Volunteers up and running but we think it will help all of us communicate in a much-improved way once we are all comfortable with how best to make it work. But if you have any questions, feel free to email us at hseco@bellsouth.net or message us on our [Humane Society of Elmore County Facebook](#) page.
