Executive Director

Santa loves pets just as much as children so told us he would make an early stop at our shelter this Saturday, 17 Dec from 10 am – noon! Everyone is welcome to take your own photo (with children and/or pets) with Santa or we can help take a photo using your camera or smart phone. Any donated pet supply item would be greatly appreciated! For those who may not have visited us before, our address is 255 Central Plank Road, Wetumpka, AL 36092 and if you need directions just give us a call at 334-567-3377.

It isn't too late to stop by our shelter to purchase an Adoption Gift Certificate for that family, parent, spouse, best friend who is looking to add a loving pet to their home. Since finding a pet can be a very special and personal decision this allows you to pre-pay their adoption fee and then they have up to a year to find just the right pet for themselves. Stop by the shelter anytime to purchase a gift certificate Mon-Fri 8-5 & Sat 8-3.

Another gift we would love to help with is to make a personalized ID tag for a pet. If you are trying to think of a gift for a pet lover then no better gift than an ID tag that will help their pet get back home if it is ever lost. Don't know what to put on the tag? Our advice is the owner's last name and their phone number, that's all! Of course we can engrave most anything but it is the phone number that gets a lost pet reunited with its family. Of course we also think an ID tag is a perfect gift for YOUR pet here at Christmas – heck, get a few made so you always have extras – just in case! And these tags can also be attached to any number of items so just let your imagination run wild and come see us – tags range in cost from \$7 - \$12!

Our Tails End Thrift store has five more shopping days remaining before Christmas so make sure to come check out all the great treasures for sale this Thu, Fri & Sat (15-17 Dec) and then again next Thu and Fri (22 & 23 Dec). The Thrift Store will be closed on Sat, the 24th as our Volunteers prepare for their own Christmas activities. Please thank all the wonderful Volunteers who make our store such an important asset to our Shelter – we are truly indebted to everyone who gives so much of their time and talent to make our Thrift Store such a success. And for all who are wondering – our new store will be opening very soon – just watch our newsletter for our upcoming opening date!

Since Christmas is coming up fast and to help more of our pets find loving homes, we will also be open for ADOPTIONS THIS Sunday, 18 December from noon - 4 pm. Reminder for next week that we will only be doing pick-ups of pre-approved adoptions on Sat, 24 Dec until noon and then will be closed 25 & 26 Dec.
