

Humane Society of Elmore County News – 22 Dec '14
Rea Cord
Executive Director

We had a simply wonderful time Saturday at our Open House and enjoyed all who came by to visit and enjoy some Christmas snacks. Santa kept quite busy having his picture taken with many wonderful dogs and children! Many thanks to our staff for all their hard work decorating and setting up everything and those who brought in yummy goodies for us all to eat! And special thanks to Bud Ayers for joining us during this very busy 'Santa' season!

We are open for adoptions Mon & Tue from 10-5 and will only be doing pick-ups of pre-approved adoptions until noon on Wed, 24 Dec when the shelter will close. The shelter will remain closed 25 & 26 Dec and reopen on Sat, 27 Dec at 9 am for adoptions.

As Christmas approaches, our Board and Staff hope that everyone enjoys a bit of downtime and has a peaceful Christmas with family (furry, feathered and finned as well) and friends. We want to thank so many incredibly generous supporters who have stopped by this month to donate food, supplies, money and more, and are grateful to all who share our love for animals and their welfare. Thank you for your support and we wish everyone a very Merry Christmas!
