Come by and join us in our new [Tail's End Thrift Store](#) on Santuck Saturday, March 4, as we are having a Dawg Gone Winter Super Sale! With winter coming to a close this is a great opportunity to save big on some of your favorite name brands such as Tommy Hilfiger, Ralph Lauren, Liz Claiborne, and Jones New York, just to mention a few. You may need to get there early! Doors open at 9:00 a.m. and we look forward to seeing you there. As you may or may not be aware, 100% of the proceeds from our store go directly to the care and well-being of the animals at the shelter. Thank you for your continued support!

Many thanks to the [Prattville Chappy's Deli](#) for picking us to benefit from their "Spirit Night" on Saturday. They will donate 10% of the total from receipts that patrons left with us and we are most appreciative that they thought of our shelter like this. Didn't hurt that the food was wonderful as well! And thank you to all who left us with their receipt for this fund-raiser!

Hoping all of our supporters will help us in an on-line contest that could win us \$5000 or more. This "Winner's Express" is sponsored by [Wind Creek Wetumpka](#) and it is very easy to vote for us – no registration required. Just go directly to this page: <http://125kgiveaway.hscampaigns.com/#entry-8> and you will see our video where there is also a small black heart in the upper left. Just click on that heart and it will turn red. You are able to vote a few times each day and this contest goes until 17 March. We also have this contest 'pinned' to the top of our [Humane Society of Elmore County](#) Facebook page so you can go there to see the video and vote. Our plan is to use these winnings to build a new food storage building for our shelter as the ones we have used for 20 years are simply past their time. Thanks to all who are already voting for us to help us continue to improve our operations for our pets!

We are entering the season for spring storms so just a reminder to pet owners to please, please, please make sure your pet(s) have on a collar AND a rabies tag and/or an ID tag with a phone number so a finder can get your lost pet back home quickly. Don't forget – we can make custom tags in about five minutes in our office at the shelter for a measly \$7 for small tags and \$10 for large tags. We even have pet medical alert tags as well for \$10 in case your pet has a medical condition a finder (or boarding facility) needs to be aware of.
