Rea Cord

Executive Director

It was another great year for the 15th annual [Cruisin' fer Critters](#) at [Déjà Vu Billiards](#) in Montgomery. Many thanks to all the members, families and friends of [The Predator's Riding Club](#) for their dedicated support to our shelter. Through their hard work they raised almost \$8000 for our shelter and the pets we care for! Simply awesome!

We also want to thank [Déjà Vu Billiards](#) for hosting 'Cruisin' & [Justin Turberville](#) and [DJ G-Rivers](#) for their musical and entertainment talent. Please also thank these most wonderful event sponsors: with any fund-raising event there was a core group of sponsors so please thank all the following for their most generous support: Herring Chiropractic, Tallassee Tire, Tallassee Rehab, Herren Hill Pharmacy, Sarah A. Jill, Sheri & Georgia Grace Kirkley, SWAT Exterminating Company, Jack & Baby Doll, American Legion Post 133, Cougar & Casanova & Chuckles.

We also thank all the riders and non-riders who came and supported this annual event and all those who donated items for door prizes and the live auction. [The Predator's Riding Club](#) are true friends to our shelter and we can never thank them enough. Thank you, thank you thank you for your dedication to helping our shelter and we are certainly lucky to have their unwavering support.

This weekend is the PetSmart Charities National Adoption weekend. Please check our Shelter Facebook page for updates later this week as to which PetSmart we will be at and the times as it will be based on our available manpower. If you want to volunteer to help for a couple of hours, please contact our Volunteer Coordinator, Charline Pope at 334-202-1381 or email her at popecharlie58@yahoo.com.

Not sure what to do for your Mom for the upcoming Mother's Day? Check out our ['Giving Grid In Honor of All Pet Loving Moms.'](#) Here you can donate to help our shelter and recognize your mom OR your own love for animals at the same time. We hope to fill our Giving Grid in honor of Mother's Day as the litters of kittens and puppies are coming in fast so these funds will go a long way to helping us as our intake increases dramatically.
