This is IT - the 10th Annual Cruisin' fer Critters Charity Ride sponsored by the Predator's Motorcycle Association, this Saturday, 23 June at Papa T's, 3420 Atlanta Highway Montgomery, AL 36109! ALL proceeds will be donated to our humane shelter to help our animals and this year's goal is \$10,000! Registration starts at noon, last bike out at 1 pm. Registration cost is \$15 per hand which includes an event patch, food, door prize, bike related items for sale, and live Rock 'n Roll by "MaMa SaiD." This is a family friendly event, and just a great afternoon of fun and fund-raising to help our shelter! So invite all your friends and see you Saturday at Papa T's!

WOW! What an incredible Supply Drive we had Saturday at Wetumpka Walmart! Thank you so, so much to all who donated supplies and money (over \$400) to help us at our busiest time of year. And more thanks to our dedicated volunteers who stood out in the sun to receive supplies help everyone who donated or had questions.

It was a fun time taste testing yummy ribs & pies at the first ever "Pigsicles & Pies" Fundraising event at Dooley's Pub in Millbrook on Saturday. We want to say a special thanks to Sonnie and to Dooley's for putting on this fun afternoon BUT they aren't done as they are continuing their fund raising on our behalf this Saturday as well as they host the 2nd Annual Poker Run and Bar Tour to help our shelter and two other worthy beneficiaries. The fee to participate is \$30 and the first bus departs Dooley's at 5 pm. For more information please call them at 334-285-9197.

And if you missed out on our first two cookbooks don't despair as we are beginning work on our 3rd edition that will go on sale in 2013. So dig out those best kept secret recipes and send them our way – you can either email them to hselco@bellsouth.net or mail to HSEC, Attn: Recipes, 255 Central Plank Road, Wetumpka, AL 36092. Don't forget to write your name and a phone number in case we have any questions about your recipe.

Pet Fun Fact: Newborn kittens have closed ear canals that don't begin to open for nine days. When their eyes open, they are always blue at first. They change color over a period of months to the final eye color.
