**SPAY/NEUTER MONTH:** \_\_\_\_\_ **(not valid after 30 days)**

**ADOPTION / SPAY-NEUTER CONTRACT TERMS AND CONDITIONS**

I THE UNDERSIGNED:

1. Certify that I am 19 years of age or older and I am adopting this animal as my own companion animal. I will not give the animal I am adopting as a gift unless pre-approved by the Humane Society of Elmore County, Inc, resell it, abandon it, use it for breeding purposes, experimental purposes, vivisection, use it as a guard dog, fighting dog, or as a food animal for human or animal consumption.
2. Understand that animals are different from human beings in their responses to human actions; that the actions of animals are often unpredictable; that animals should be closely supervised when they are with children & other pets; that animal behavior may change after it leaves the shelter and accustoms itself to a home or other different environment.
3. Understand that the Humane Society of Elmore County, Inc, hereinafter referred to as HSEC, makes no claims or representations as to the temperament, health, or mental disposition of any animal placed for adoption.
4. I understand and agree that if I do not adhere to these terms, if I have misrepresented myself, or if I have adopted the animal under false pretenses, or if I fail to adhere to adoption requirements noted herein, the HSEC may reclaim this animal.
5. Agree to provide all proper and necessary care and treatment for the animal I have adopted from the HSEC, including, but not limited to: appropriate shelter, humane treatment, adequate food and fresh water and veterinary care. I further agree to have the animal immunized for rabies according to the Code of Alabama, Title 3, Section 7A and that the cost of rabies immunization is my responsibility.
6. I agree that if the animal is an unaltered dog or cat, to have the animal spayed or neutered by a licensed Veterinarian within one month of the adoption date for a sexually mature animal or at six months of age for an adopted juvenile. I understand that I will receive a Spay-Neuter Certificate with this adoption and that the certificate entitles me to have my pet spayed or neutered by one of the participating Veterinarians on the list provided, or other licensed Veterinarian that agrees to adhere to the HSEC's Spay-Neuter terms and conditions.
7. I further understand that having my adopted pet spayed or neutered is required under Alabama State Law. Failure to comply with this spay/neuter contract is punishable as a Class A Misdemeanor punishable by a fine of up to \$200 and confiscation of my pet by the HSEC.
8. Promise and agree that I will return the animal to the HSEC in the event that I can no longer care for it or I will work with HSEC if rehoming the pet becomes absolutely necessary so that all appropriate adoption paperwork can be transferred to the new owner.

**I WILL NOT GIVE, SELL, TRADE THIS ANIMAL TO SOMEONE ELSE, NOR WILL I ABANDON THE ANIMAL.**

9. Agree that if the animal is removed from my home or otherwise confiscated by a third party, including, but not limited to, law enforcement or any animal welfare agency, because I have failed or neglected to provide all proper and necessary care and treatment, I understand and agree that HSEC may direct the third party to return the animal to the HSEC at which time the HSEC shall have sole discretion to determine the proper disposition for the animal. *(Contract language continued on reverse)*

**ADOPTER SIGNATURE:** \_\_\_\_\_ **DATE:** \_\_\_\_\_

## ADOPTION / SPAY-NEUTER CONTRACT TERMS AND CONDITIONS (continued)

10. Agree that the HSEC makes no express or implied warranty, representation, or promise relating to my ability to obtain or maintain liability insurance for any personal injury or property damage caused by the animal. I understand that depending on the breed of the animal that I have adopted such liability insurance may be unavailable or denied.

11. Agree that the HSEC makes no express or implied warranty, representation or promise as to the age, health, breed, habits, disposition or safety of the animal. I do hereby, fully and forever release acquit and discharge the HSEC and its officers, directors, employees, members, insurers, and agents (collectively the "Released Parties"), from any and all manner of action and actions, suits, debts, claims, liabilities, controversies, damages, costs, expenses, attorneys' fees, demands of any nature whatsoever, whether compensatory or punitive in nature, including, but not limited to, any liability for personal injury or property damage caused by the animal to another animal or person, illness to the animal, or illness or parasite transmitted by the animal to another animal or person. I further promise and agree to indemnify the Released Parties against any and all liability incurred by the Released Parties, including, but not limited to, all judgments, settlements, penalties, forfeitures, fines, costs, expenses and actual attorneys' fees, that arise out of or relate to my adoption or ownership of the animal.

12. Understand that the HSEC does not guarantee the health of any animals released from the shelter. The shelter does not knowingly release any sick animals. The circumstances and not knowing the origins of some of the shelter animals makes it impossible to guarantee their health. We do not have a Veterinarian on staff at the HSEC; instead a courtesy health examination is offered by the noted supporting veterinarians so that a licensed Veterinarian can find any health problems that your new pet might have.

13. Agree to take my new pet to a participating Veterinarian for a Courtesy Health Exam within the first (7) business days after adopting my new pet from the HSEC I understand that this Courtesy Health Exam is a basic visual exam and does not include any blood work.

I understand that if-during the Courtesy Health Exam, the Veterinarian determines that further lab work or medical treatment for bronchitis, kennel cough, upper respiratory infections, worming, or other routine medical conditions, is necessary, that I am responsible for the Veterinary costs associated with any lab work or treatment provided if I choose to treat the animal.

I understand that the HSEC does not pay any costs toward the Veterinary treatment of an adopted pet, and that I will not be reimbursed for any Veterinary bills incurred.

I further understand that if the Veterinarian determines the adopted animal is ill, I may choose to pay the Veterinarian for the treatment required, or I may choose not to treat the animal and return it to the HSEC for an exchange or refund within 10 days for a previously undiagnosed health reason verified by a licensed veterinarian. I understand that a refund will generally only be granted for a verified medical reason. **Refunds will be mailed within 30 days.**

14. Understand that the HSEC cannot guarantee the ultimate height or weight of a pet adopted from us as a puppy or kitten. Based on potential breed mix we do our best to estimate size at adulthood, but cannot predict genetics as parentage may be unknown.

15. Agree that animals need training to become well-mannered and obedient pets. Growing puppies/kittens will exhibit chewing, digging, jumping and other potentially undesirable traits unless taught otherwise. Kittens & cats will want to climb and jump on most everything and may claw furniture to sharpen their claws which is normal kitten/cat behavior. I understand that my puppy/kitten will not train itself and that I am responsible for teaching it basic manners, housetraining, leash training, litter training, etc. The HSEC encourages owners to pursue basic obedience training for puppies and dogs and can provide information on local trainers to assist at the owner's expense.

16. I agree to keep a collar and current Rabies vaccination tag on my pet at all times as required by Alabama State Law, Title 3, Section 7A-4. I further agree to abide by all leash/containment laws for the state/county/municipality in which I and my pet resides.

17. The HSEC does not condone the "tying out" of animals for extended periods of time and recommends that cats be kept as indoor only pets. Keeping a dog or cat adopted from us outside on a chain or tie-out as a permanent form of confinement is a violation of this adoption contract and can result in the confiscation of your adopted pet by the HSEC. When dogs are outside, well-fenced yards are preferred to keep a dog safe from getting lost, cars, other dogs, other people, etc.

18. Due to the extremely high risk of heartworm disease in our area, the HSEC strongly recommends that all dogs be kept on monthly heartworm preventive upon the advice of the owner's veterinarian and at owner expense.

19. All pets adopted from HSEC are micro-chipped to further help identify your pet in the event it becomes lost – we scan all incoming animals at our shelter for the presence of a microchip. Failure to update any changes in your contact information with the microchip company can result in an inability for the rescuing agency to reunite your pet with you.

20. Before pursuing declawing of a cat, please consult us and/or your veterinarian for other options to mitigate clawing behavior. Declawed cats must remain indoors at all times. Knowingly adopting a declawed cat from HSEC with the intent for it to go outside is a breach of this adoption contract and can result in the confiscation of the cat by HSEC.

21. I am aware of the costs of owning and properly caring for all of my pet(s) and am financially able to meet the necessary expenses to properly care for my pet over the course of its natural life. At a minimum these expenses include quality food, veterinary care, flea and tick prevention, heartworm prevention, adequate housing, bedding, collars, leashes, identification, containment to keep your pet safe, boarding or pet sitting charges, etc. We further encourage our adopters to maintain or seek out pet insurance, or to maintain an emergency pet medical fund in the event your pet becomes injured or grievously ill. Having a good relationship with your veterinarian can help greatly in the event your pet needs emergency veterinary care.

**Nothing makes us happier than hearing back from our adopters. We love getting pictures of our adopted pets and ask that you send us updates and pictures to our email at [hselco@bellsouth.net](mailto:hselco@bellsouth.net). We will post your pictures on our website's ([www.elmorehumane.org](http://www.elmorehumane.org)) Happy Tails pages. We also invite you to join our Facebook family – just look for the Humane Society of Elmore County! Thank you so much for adopting not only a shelter pet, but one of our shelter pets!**

This also does not cover extra charges if your female pet is in heat because she is overdue for her surgery month.*

**SPAY/NEUTER MONTH:** \_\_\_\_\_ (not valid after 30 days)

**FREE COURTESY HEALTH EXAMINATION CERTIFICATE**

Notice: if the pet that you have adopted has a health problem, and the veterinarian examining the animal treats said animal, you will be responsible for any & all expenses. Humane Society of Elmore County, Inc., policy is to exchange or refund only for verified medical reason or as approved by the Director.

In order to insure the continued good health of animals adopted from the HSEC regular examinations by a veterinarian are recommended. This valuable service is being provided by your local participating veterinarian.

This certificate is valid for (7) business days. It entitles your pet to a free courtesy examination by any participating veterinarian. Please verify this with the participating clinic of choice by telephone and make an appointment if required.

This free examination **does not** include charges for blood work, medications or injections that may be recommended by your veterinarian (see adoption papers). **Rabies vaccinations** for pets required by Alabama law must be obtained by the owner at owner expense if not already done by the shelter.

## PARTICIPATING VETERINARIANS

The following is a list of participating veterinarians you may contact for a free courtesy health exam and spay/neuter surgery for your new pet. **Please call for an appointment as soon as possible to get the free courtesy health exam. This is very important.** Bring your adoption paperwork for your Veterinarian to see. **The free health exam does not include the administration of any drugs, injections, surgical procedures, treatment or laboratory tests.** Individual veterinary clinic policies are always subject to change, so please clarify with them first that they will honor our health exam and spay/neuter voucher/reimbursement. If you do not see your veterinarian's name on this list, please ask if they will honor the Humane Society's free health exam and discount spay/neuter certificate. **All Area Code 334 unless otherwise noted.**
