

# !!! BARK IN THE PARK 2011 !!!

**Sunday, 25 September 2011 from 1-5 pm**

Ft. Toulouse in Wetumpka <http://www.forttoulouse.com>

***Bring your pet and join in the fun as we will have something for everyone!***

*All pets must be good in public around other animals, children and adults, leashed and have a current rabies tag on their collars in accordance with Alabama State Law. We reserve the right to ask an owner to remove a pet if it exhibits unsafe behavior.*

*It is not permissible to bring any animal for the purposes of trying to give it away, sell it, trade it or in any way re-home a pet that is NOT an animal brought by the Humane Society of Elmore County. Anyone trying to do so will be instructed to leave Ft. Toulouse with said animals immediately.*

## EVENTS

The events marked with an asterisk (\*) will also be on-going throughout the afternoon so you can talk to the folks there and perhaps let your dog try their 'paw' at it! Times might be a bit flexible.

# MEET THE BREED & BREED RESCUE

Members of the Montgomery Kennel Club and breed placement groups will have Meet the Breed tables so you can learn more about various breeds, interact with their dogs and get lots of free information on Responsible Pet Ownership.

Breed Rescues groups work hand in hand with shelters to help specific breeds, so meet these great allies & some of their dogs & get info on their breed(s).

## ADOPTABLE DOGS

We will bring a few of our great dogs to join the fun and hopefully go home as the newest family member for a wonderful home!

*(Please understand that we can't bring our kitties as we wouldn't want to lose any if they got scared and were to get loose in the park)*

## Live Remotes by I-92 & Y102

## ADMISSION

\$5 admission fee for EACH person 13 and older and we will have someone at the gate of Ft. Toulouse to take money and give you a map and schedule of the events. Having the exact dollar amount will greatly help speed up getting everyone into the park faster. All dogs must be leashed, good in public and have a current rabies tag on their collar.

**In the event of severe weather, the backup date for Bark in the Park is:  
Sunday, 2 October 2011, still at Ft. Toulouse**
