13 August 2011

Dear Shelter Supporter,

Sunday, September 25th 2011 will be our shelter's 6th annual "Bark in the Park" event at Fort Toulouse in Wetumpka. This event celebrates the bond between pets and their owners and no where else in our county do 500+ people gather with 300+ pets to enjoy an afternoon of fun and camaraderie. Besides simply enjoying a fun afternoon in the park, we will have the ever popular doggy games, a microchip clinic, yummy food, a wildlife exhibit, great vendors and more!

We are inviting you to advertise your company and support our shelter by reserving one of our limited sponsor spots on our special, high quality "Bark in the Park 2011" T-Shirts at a cost of only \$100.00. This will not only help our shelter, but show off your support and provide advertising for your organization to countless members of the public at the event and later around the community.

As a 501(c) 3, non-profit organization, we rely on our fund-raising activities and the support of all who believe in our mission to help the 5000 lost and unwanted pets that come to our shelter each year.

To become a sponsor please either mail us your check and the enclosed form with your information and any business "logo" you have as you would like it printed on the T-Shirt. Also, please tell us your shirt size as one will be sent to you in appreciation for your support and sponsorship. You can also email your business information and logo to the email address above if you would like and we can take Master Card or VISA credit payments telephonically at the shelter as well.

All sponsorship payments and information must be received **no later than 1 Sep '11** to ensure we meet our production schedule as we want to market our shirts well ahead of Bark in the Park. There is limited space on a T-Shirt, so please get your order to us early to reserve your space.

Thank you for your support and we hope you can also join the fun at Ft. Toulouse on 25 Sep!

Sincerely,

Rea Cord
Executive Director
Humane Society of Elmore County
