

A VOLUNTEER IS A PERSON WHO BELIEVES THAT PEOPLE CAN MAKE A DIFFERENCE – AND IS WILLING TO PROVE IT!

Have you ever thought “I wish I had time to help the Elmore County Humane Shelter”? Guess what! You can help!

The need for volunteers has never been greater, and the time to get involved has never been better! Please contact Charline Pope – Volunteer Coordinator for the Humane Society of Elmore County. She is willing & wants to talk with you about how you can help. We will find the opportunity that best suits your skills, availability, and we hope to make the experience one that works best for volunteer & the animals at the shelter.

After talking with several volunteers we have found that many think we are only in need of volunteers that can help at the shelter with the animals. That is only one of the many ways to volunteer!!

If you like to bake cookies, cakes, if you can help sell raffle tickets, make phone calls, work in a thrift store, take puppies to visit residents at a nursing home, decorate a float, or anything to help, just give our volunteer coordinator a call. After talking about your likes, dislikes, and work schedule for a few minutes, we can get you involved with helping us, help the animals!

If you can spare 30 minutes, or more a year, we can still use you for one of our fundraiser events, or adopt-a-thons. It isn't as complicated as people may think! Just call and let's talk!

“Thank you” to all our volunteers that help us! We could not do all the adoption events, fundraiser events, and other things we do, without your willingness to help, and your love for the animals we care for.

To get involved as a volunteer, please contact Charline (Charlie) Pope at Home# 334-514-7088, Cell# 334-202-1381, or email her at:
