

PARTICIPATING VETERINARIANS

The following is a list of participating veterinarians you may contact for a free courtesy health exam and spay/neuter surgery for your new pet. Please call for an appointment as soon as possible to get the free courtesy health exam. This is very important. Bring your adoption paperwork for your Veterinarian to see. **The free health exam does not include the administration of any drugs, injections, surgical procedures, treatment or laboratory tests.** Individual veterinary clinic policies are always subject to change, so please clarify with them first that they will honor our health exam and spay/neuter voucher/reimbursement. If you do not see your veterinarian's name on this list, please ask if they will honor the Humane Society's free health exam and discount spay/neuter certificate. ***All Area Code 334 unless otherwise noted.***
